

Department of Biotechnology – Achievements (MIET, Meerut)

1. Academic Excellence

University Topper Recognition:

Vishakha (Batch 2021–2025) from the Department of Biotechnology secured **8th Rank in AKTU (Dr. A.P.J. Abdul Kalam Technical University)**, showcasing outstanding academic performance and dedication.

2. Alumni Engagement

- The Department of Biotechnology hosted a memorable **Alumni Homecoming 2024 cum Decadal Ceremony** on **28th December 2024**, bringing together distinguished alumni, faculty members, and students.
- The event provided a platform for alumni to share their professional journeys, inspire current students, and strengthen the MIET Biotechnology community.

3. Industrial Exposure

- **Industrial Visit to Yakult Danone India Pvt. Ltd., Sonipat, Haryana**
On **29th November 2024**, students of Biotechnology visited the **Yakult Factory** to understand the industrial production process of probiotic beverages.
 - Students gained practical insights into fermentation technology, quality assurance, and the importance of hygiene in industrial biotechnology.
 - The visit aimed to bridge the gap between classroom learning and real-world bioprocess applications.

4. Innovation & Incubation

- The department continues to promote innovation through MIET's **Innovation and Incubation Cell**, encouraging student participation in **start-up ideation, prototype development, and research translation**.
- Biotechnology students are actively involved in projects aligned with healthcare, agriculture, and environmental biotechnology.

6. Future Goals

- Enhance research collaborations with industries and national research institutes.
- Expand hands-on training modules and certified industrial internship programs.
- Foster entrepreneurship among biotechnology students through start-up incubation and patent support.
