No patent, copyright or other intellectual property rights are transferred by this MoU, nor is any right or license under any invention or patent granted hereunder.

10. Duration, Amendment and Termination of the MoU

- 10.1 This MoU shall be valid for a period of three (03) years from the Effective Date. During the period of its validity, the MoU can be amended any time by mutual consent of both the parties in writing. The MoU can also be terminated by mutual consent or by either party giving the other a three months written notice of its desire to terminate the MoU.
- 10.2 Notwithstanding any termination, the MoU shall continue to survive and be effective with regard to all rights and obligations of the Parties which existed prior to the termination of this MoU until such rights and obligations have been fulfilled.
- 10.3 Promptly following the request of Bosch, at any time during the term of this MoU and or earlier termination, MIET will return to Bosch all materials (ie. Training Content, Front board, Signage etc) provided to MIET in furtherance to the understanding between the Parties. Such exercise shall be undertaken by MIET within 30 days of receipt of such notice from Bosch.

Notwithstanding anything contained above and/or under any of the terms and conditions of this MoU, if the Parties in good faith continue their business understanding enumerated under this MoU even after expiry or early termination of this MoU, then such relationship shall be governed by the terms and conditions of this MoU until a fresh MoU has been executed.

11. Dispute Resolution

- 11.1 Any difference or dispute between the Parties concerning the interpretation and/or implementation and/or application of any of the provisions of this MoU (each a "Dispute") shall be settled amicably through mutual consultation or negotiations between the Parties, without reference to any third party.

However, if the Dispute remains unresolved for 90 working days from the above referral, the same shall be referred to arbitration under the provisions of the Arbitration and Conciliation Act, 1996 by notice in writing by either Party to the other Party ("Arbitration Notice"). The Parties shall jointly appoint a sole arbitrator within 15 (fifteen) working days of the Arbitration Notice failing which either Party shall approach a court of competent jurisdiction for appointment of a sole arbitrator as per the provisions of the Arbitration and Conciliation Act, 1996. The seat of arbitration shall be Bangalore and the language shall be English. The arbitration shall be final and binding on the Parties.

12. Governing Law and Jurisdiction

- 12.1 This MoU shall be governed by the laws of India and the courts of Bangalore shall have exclusive jurisdiction for all disputes under this MoU.

13. Miscellaneous

- 13.1 This MoU supersedes and replaces any and all prior agreements, understandings or arrangements, whether oral or written heretofore made between the Parties and relating to the subject matter hereof, and constitutes the entire understanding of the Parties with respect to the subject matter of this MoU. This MoU may not be modified, changed, altered or amended except by an express written agreement signed by all Parties hereto.

- 13.2 The Parties agree that neither Party shall have any right or emblem or authority to sub-contract (other than delegation as may be required to training partners of either Party) or assign or transfer any rights or obligations or any part thereof under this MoU to any third party, without the prior written consent of the other Party.
- 13.3 MIET hereby shall indemnify and keep indemnified Bosch from and against all claims, demands, actions, suits and proceedings, whatsoever that may be brought or made against Bosch on behalf of any person, body, authority whomsoever and whatsoever and all duties, penalties, levies, taxes, losses, damages, cost, charges and expenses and all other liabilities of whatsoever nature which Bosch may now or thereafter be liable to pay, incur or sustain by virtue of or as a result of the performance or non performance or observance or non-observance by MIET of any of the terms and conditions of this MoU or otherwise.
- 13.4 This MoU shall be executed in two counterparts, each of which shall be deemed as original but all of this together shall constitute one and the same instrument.

In witness whereof the two parties have signed this Memorandum of Understanding by the hand of, on behalf of BOSCH LIMITED and by the hand of, on behalf of MIET college Campus on date, month and year referred to above.

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding ("MoU") is made on 25th of September, 2023.

BETWEEN

MEERUT INSTITUTE OF ENGINEERING & TECHNOLOGY having their registered office at N. H. 58, Baghpat Road Crossing, Bypass Road, Meerut, Uttar Pradesh 250005, India (hereinafter referred to as "MIET")

AND

Bosch Limited, having their registered office at Hosur Road, Adegudi, Bangalore - 560 030, India and its Zonal office at Bosch Limited, Rishyamook 85 A Panchsukin Road, New Delhi- 110001 (hereinafter referred to as "BOSCH")

MIET and BOSCH are individually referred to as "Party" and jointly referred as "Parties".

[Signature]
Director

Meerut Institute of Engineering & Technology

The Parties wish to enter into this Memorandum of Understanding (MoU), which is a renewal of the earlier agreement, for establishing **MIET - BOSCH Joint Certification Program** (hereinafter referred to as "Joint Training Center") jointly developed by Bosch along with the MIET in the campus of MIET, Meerut

upon the following understanding:

- The proposed Joint Training Center will be established by MIET as per the concept to be designed by Bosch. The proposed Joint Certification center will cover Meerut city. It will act as the bridge to address the technological gap and focus on various technical training programs for Bosch dealer network. This Joint Training Center will also enable training to the diploma, degree students and nearby industries personnel (hereinafter referred to as "Centre").
- BOSCH concept is the efficient combination of hardware, teach ware and courseware which is offered by BOSCH as industry oriented training in the field of automotive technology.
- MIET with assistance of BOSCH (limited only to the assistance mentioned below) will establish and maintain the training center premises (hereinafter referred to as "Premises") for conducting training courses according to the BOSCH concept.
- BOSCH at its discretion shall provide related know how, technology support, supply concept kits for different technologies with non-transferable, limited usage licensed copies of teachware and courseware, train the faculty as "TRAIN THE TRAINER" (TTT) in its training center in Bangalore as necessary, provide training methodologies in line with BOSCH concept, subject to terms and conditions mentioned hereafter.
- MIET, in the Premises and with Bosch approved courses, will impart training to the eligible & selected undergraduates, post-graduate, polytechnic, vocational school students to meet industry requirements, bridging the industry academic gap and enhancing the competency levels of students for better employability. MIET will also provide industrial training to nearby industrial personnel, and wherein the successful students will be awarded a joint certificate of BOSCH and MIET (Refer the Annexure -2).

In consideration for Bosch providing training assistance mentioned above, MIET agrees and undertakes to allow Bosch the right to use the Joint Training Center Premises on mutually agreeable basis, to directly impart training for Bosch dealer network, OBEs, OBCDs, STUs on cost sharing basis. It being clarified that for Bosch beneficiaries, Bosch will provide its own certificates on Bosch specified format.

- For efficient running of the Premises and to cover the reoccurring costs, it is recommended to charge nominal fees for the course offered. The fees thus collected shall be shared between Bosch and MIET for their respective efforts as per the terms and conditions contained under Annexure - 1.
- MIET shall conduct training course(s) for their student and its student beneficiaries and the number of training days should not exceed 15 calendar days in a month.
- In relation to the implementation of the understanding concluded between the Parties above, the Responsibilities with regard to each of the Parties for the implementation of the MoU as mentioned above shall be as follows:

The MoU can also be terminated by mutual consent or by either party giving the other a three months written notice of its desire to terminate the MoU.

- 10.2 Notwithstanding any termination, the MoU shall continue to survive and be effective with regard to all rights and obligations of the Parties which existed prior to the termination of this MoU until such rights and obligations have been fulfilled.

- 10.3 Promptly following the request of Bosch, at any time during the term of this MoU and or earlier termination, MIET will return to Bosch all materials(i.e. Training Content, Front Board, Signage etc) provided to MIET in furtherance to the understanding between the Parties. Such exercise shall be undertaken by MIET within 30 days of receipt of such notice from Bosch.

Notwithstanding anything contained above and/or under any of the terms and conditions of this MoU, if the Parties in good faith continue their business understanding enumerated under this MoU even after expiry or early termination of this MoU, then such relationship shall be governed by the terms and conditions of this MoU until a fresh MoU has been executed.

11. Dispute Resolution

- 11.1 Any difference or dispute between the Parties concerning the interpretation and/or implementation and/or application of any of the provisions of this MOU (each a "Dispute") shall be settled amicably through mutual consultation or negotiations between the Parties, without reference to any third party.

However, if the Dispute remains unresolved for 90 working days from the above referral, the same shall be referred to arbitration under the provisions of the Arbitration and Conciliation Act, 1996 by notice in writing by either Party to the other Party ("Arbitration Notice"). The Parties shall jointly appoint a sole arbitrator within 15 (fifteen) working days of the Arbitration Notice failing which

either Party shall approach a court of competent jurisdiction for appointment of a sole arbitrator as per the provisions of the Arbitration and Conciliation Act, 1996. The seat of arbitration shall be Bangalore and the language shall be English. The arbitration shall be final and binding on the Parties.

12. Governing Law and Jurisdiction

- 12.1 This MoU shall be governed by the laws of India and the courts of Bangalore shall have exclusive jurisdiction for all disputes under this MoU.

13. Miscellaneous

- 13.1 This MoU supersedes and replaces any and all prior agreements, understandings or arrangements, whether oral or written heretofore made between the Parties and relating to the subject matter hereof, and constitutes the entire understanding of the Parties with respect to the subject matter of this MoU. This MoU may not be modified, changed, altered or amended except by an express written agreement signed by all Parties hereto.

- 13.2 The Parties agree that neither Party shall have any right or entitlement or authority to subcontract (other than delegation as may be required to training partners of either Party) or assign or transfer any rights or obligations or any part thereof under this MOU to any third party, without the prior written consent of the other Party.

- 13.3 MIET hereby shall indemnify and keep indemnified Bosch from and against all claims, demands, actions, suits and proceedings, whatsoever that may be brought or made against Bosch on behalf of any person, body, authority whatsoever and whatsoever and all duties, penalties, levies, taxes, losses, damages, cost, charges and expenses and all other liabilities of whatsoever nature which Bosch may now or thereafter be liable to pay, incur or sustain by virtue of or as a result of the performance or non performance or observance or non-observance by MIET of any of the terms and conditions of this MoU or otherwise.

- 13.4 This MoU shall be executed in two counterparts, each of which shall be deemed as original but all of this together shall constitute one and the same instrument.

In witness whereof the two parties have signed this Memorandum of Understanding by the hand of, on behalf of BOSCH LIMITED and by the hand of, on behalf of MIET college Campus on date, month and year referred to above.

CERTIFICATION PROCEDURES

1. Certificates are issued only to those students who scores minimum marks (50%) in the theoretical and practical examination conducted by MIET through the training premises. In case the student/candidate fails, re-examination will be conducted and then certificate will be issued.
2. MIET shall forward the list of students who have registered for the training courses prior to the commencement of the training. The list shall include Full Name, Engineering Branch & Year, Email address and telephone numbers.
3. At the end of every course MIET shall forward the list of students with details like Full Name, Engineering Branch & Year, College Name & Location, Email address and telephone numbers and marks obtained. **Accounts shall be settled every month after Training completion.**
4. Bosch shall prepare the Joint certificate and deliver it to MIET for further processing and delivery within 20 days from the date of receipt of details.
5. Contents in the certificates will be decided by Bosch in consultation with MIET.
6. MIET shall send monthly report and annual report to Bosch with the following details.
 - Candidate Name
 - Engineering Branch & Year
 - College Name & Location
 - Course code attended
 - Training Fee collected

1:- THE OBJECTIVE OF THIS PROGRAM IS TO PROVIDE ADVANCED-LEVEL AUTOMOBILE TRAINING TO STUDENTS AND SUCCESSFUL STUDENTS WILL BE AWARDED A JOINT CERTIFICATE OF BOSCH AND MIET.

2:- IT WILL ACT AS THE BRIDGE TO ADDRESS THE TECHNOLOGICAL GAP AND FOCUS ON VARIOUS TECHNICAL TRAINING PROGRAMS FOR THE BOSCH DEALER NETWORK.

3:- THIS JOINT TRAINING PROGRAM WILL ALSO ENABLE TRAINING FOR THE DIPLOMA, DEGREE STUDENTS OF MIET COLLEGE AND NEARBY INDUSTRIES.

4:- MIET, IN THE PREMISES AND WITH BOSCH APPROVED COURSES, WILL IMPACT TRAINING ON THE ELIGIBLE AND SELECTED UNDERGRADUATE, POST-GRADUATE, POLYTECHNIC, VOCATIONAL SCHOOL STUDENTS TO MEET INDUSTRY REQUIREMENTS.

1	High Pressure Fuel Injection System
2	Automotive Electrical System
3	Automotive Electronics and Fault Diagnosis
4	Automotive Heating Ventilation and Air Conditioning System
5	Tire Care: Wheel Alignment and Balancing
6	Engine, Undercarriage and Pollution Control

CO 1	Trainee will be able to understand design of diesel fuel pumps, identify their faults and calibrate them on calibration test bench.
CO 2	Trainee will be able to understand design of various electrical components such as starter, battery and alternator, identify their faults and rectify them on electrical test bench.
CO 3	Trainee will be able to identify different sensors present in a vehicle, their communication with ECM and diagnose faults of ECM through OBD tool and rectify them.
CO 4	Trainee will be able to analyze working of HVAC system of an automobile, diagnose various problems and service the HVAC system using ACS 251 machine.
CO 5	Trainee will be able to evaluate reasons of tire wear and perform balancing and alignment of wheels.
CO 6	Trainee will be able to identify real life problems in automotives and troubleshoot them effectively.
